

2023 Dues Calculation Form

Membership dues are based on your previous year production. In order to invoice you fairly, please complete and return the below information to [info@hardwood.org](mailto:info@hardwood.org) not later than **February 22, 2023**. **Updated dues take effective with March 1 dues invoices.**

Company Name: \_\_\_\_\_

Authorized Signature: \_\_\_\_\_ Email: \_\_\_\_\_

Your investment in HMA membership will be a fixed amount each month based on reported annual production. Production numbers should be recorded in millions to the nearest thousandth. Follow the steps below to calculate your monthly dues.

- A. What was your sawmill’s total hardwood lumber production in the past 12 months? If you have multiple locations, please include all of your sawmills.

- **Total** the footage reported in “A” and “B.”
- **Report** this footage – rounded to the nearest thousandth in “C.”  
**For example: 15,555,000 will be reported as 15.555.**

- C. My company’s production of hardwood lumber plus hardwood lumber purchased for kiln drying– **rounded to the nearest thousandth** is:

You will find the production and corresponding dues calculation in one of the categories to the right. If your production falls between the minimum and the maximum dues categories, multiple by \$22 your production listed in C above; i.e., 15.555 x \$22 = \$342/month dues.

**Sustaining Member Levels**

Members opting to provide additional support to HMA’s ongoing efforts can increase their monthly dues levels. Those options are listed to the right.

Voluntary member contributions to HMA’s promotion and educational efforts can be included on monthly dues invoices. Indicate your level of support
